R211 150mm
Multi-Purpose Board

Window Widgets has introduced a range of trims in the more unusual woodgrain foiled finishes. Sold in smaller, easy to handle van sized packs, you can now professionally trim up foiled installations.

The range includes a trim, a D-Section, a Quadrant an Architrave and a Multi-Purpose Board allowing you to trim, join and cover up in a colour matched finish. Available ex-stock without large minimum orders and large commitments.

Pack size - 4 x 2.5m - Fits in your van!
