	(G) Golden Oak	2 x 6m				
	(M) Mahogany	2 x 6m				
	(R) Rosewood	2 x 6m				

482189

This product works with all 60mm frames. It is designed as a loadbearing frame coupler and we have a Baypole Jack available. It has a 24mm frame deduction. Frames can be fixed from the outside (through the coupler and into the back of the frame) without the need to access the frame rebate. Thus you can fit pre-glazed frames with this product. **For Bay Jack order Jack B for 482189**
